Respected Sir/Madam,

I am writing this email to sincerely apologize for the delay of submission of my English assignment ,which is about the Word Bank and Vocabulary Topic. I understand the need and importance of on time submission and am genuinely sorry for the delay and for the inconvenience caused by this.

I could not submit the assignment on time because I was out of station due to an emergency and I did not have enough resources available there to complete the english assignment.

Thank you for your understanding and patience. I will make sure that this will not happen again and the further assignments will be submitted on time.

Yours Sincerely,
Sahasra
